

## Maintenance Fee:

The maintenance fee covers the use of all AS&T facilities from May 1 2024 to April 30 2025. The annual maintenance fee must be paid for all family members, even if one or more of those family members does not intend to use the swimming pool, except:

- Children under the age of one year on June 1, 2023
- Persons who for medical or other reasons (such as being gone for the entire summer) cannot enjoy the facilities
- AS&T employees AS&T members (and all of their family members) who have not paid their annual maintenance fee may not use AS&T facilities, including the tennis courts, even as a guest of another member.

Whenever AS&T facilities are closed (including September-May), the tennis courts will be locked. To use the tennis courts during such times, AS&T members may obtain a tennis court key at the front desk (\$20 deposit required), but this key may not be loaned out or duplicated. There may be occasions when the tennis courts cannot be used because of other scheduled activities, but advance notice of such activities will be provided whenever possible.

1. I will submit my annual maintenance fees for the 2023 summer season. I understand that the payment of this fee entitles me and members of my family, listed and described on the form, to admission to AS&T facilities during the hours that the pool is open for normal operations, provided we abide by the rules and regulations. Also, I understand that I am responsible for complying with the AS&T guest policy and those violators of this policy are subject to suspension from AS&T facilities and activities.
2. I hereby waive all rights, claims, causes of action and rights of action against the AS&T Directors and Officers for any property damage or personal injury arising from the use of the facility by any members of my family or our guests. I agree that AS&T and its Directors and Officers shall not be liable for any loss, injury or damage which may occur during the use of the facility, unless caused by the negligence of AS&T or its employees.
3. It is understood and agreed by the undersigned that all AS&T rules and regulations are a part of this agreement. Members agree to comply at all times with such rules and regulations. It is further understood and agreed that no person may use the AS&T facilities until all required fees or installment payments have been paid and a copy of this agreement has been signed. No alteration of this agreement or any other membership document will be effective without the express concurrence of the Board of Directors.
